

BLAX – SILHOUETTES ON STILTS

*"Hauntingly beautiful...sublime....absolutely
captivating and otherworldly"*

★★★★★

Childers Multicultural Festival, QLD

BLAX provides a phenomenal walkabout act that turns heads everywhere it goes. They cast bizarre and unusual postures that are emphasised by the long spindly insect-like legs, they creep and crawl around your event and fill your guest's imaginations with wonder. Strangers in a strange land, stalking and creeping on their long insect-like legs. Where are they from? Why are they here? Beautiful and intriguing, they communicate with a haunting language of gaunt postures, spindly shapes and piercing gazes. Searching, enquiring - seeking the familiar in an unfamiliar landscape.

REASONS TO BOOK THIS ACT

- Enigmatic and wonderful stilt walkers providing a fascinating and unforgettable unique act
- A phenomenal walkabout act that will amaze any audience with its interactive entertainmentIncredible roaming characters unlike any stilt walkers you've ever seen
- Unique act for corporate events, product launches or even family-friendly events
- Based in Brisbane and available internationally

Like creatures from another world, beings from an alternative dimension or living works of art, this unique act features completely blacked out roaming characters that are hauntingly beautiful, elegant and mesmerising. T

he fascinating roaming characters make suitable interactive entertainment for a wide array of events and occasions as you can see in the videos, they have taken their unique act to the streets, in shops and shopping centres. BLAX performed a 5 minute set for a seated audience at an Audi launch in Seoul, Korea and has also been involved in a stage show as scary shadow characters.

BLAX makes a show-stopping addition to corporate events and product launches. Overall, the versatility of these stilt walkers and the impact they have on the audience is incredible.
